Learning Your Way

Apprenticeships

apprenticeships

Welcome

A better path for a career in education, childcare and early years

Learning new skills and gaining industry recognised qualifications through HOT can unlock many career opportunities in the education, childcare and early years sectors.

There are many benefits of an apprenticeship programme and they have a positive effect on all involved. Apprenticeships can offer you the chance to leave school at 16 and go straight into work, enhance your skills if you're already in work, or give you the opportunity to take your career on a new path or in a new direction.

Unlock Career Opportunities

Apprenticeships give you the freedom to learn, work and earn, in a career path that suits you.

Gain qualifications while you work in a real work setting and gain experience while earning a wage, from a real employer.

If you are looking to start or boost your career with an apprenticeship, HOT can provide a high level of support and expertise in your chosen field. Blending theory with hands-on practical skills and experience, the apprenticeship package will provide a nationally recognised qualification along with functional skills where these are a requirement of the apprenticeship standard.

Your Journey Starts here

The programmes we offer will provide a solid foundation of skills and knowledge to build a career in your chosen field. The Government has identified apprenticeships as a huge growth area for training and up-skilling staff, as well as a key progression route after GCSEs.

We have developed high quality training programmes that incorporate Intermediate (2) and Advanced (3) levels of the framework. Additionally, the recently introduced Higher levels (4 & 5), including Level 5 Early Years Lead Practitioner framework, meaning we can offer a full package that will support you throughout your Early Years career journey.

Learn Your Way

This prospectus will show why many apprentices choose this route and the positive impact they have.

Do It Your Way

Choose a career path and learn your way

There's much more to further education than college and sixth form. Apprenticeships give you the freedom to learn, work and earn, in a career path that suits YOU.

Starting Out

Career Building

Your Next Steps

Qualifications to progress your career

You can gain nationally recognised qualifications to boost your career, with an Apprenticeship. Climb the career ladder at your current job, or change direction in a new role and achieve your aspirations.

Reach Your Goals

Grow your skills for ongoing success

We can support you with work-based qualifications that match the environment you work in, so you can make your career work for you.

Professional Development

Why HOT?

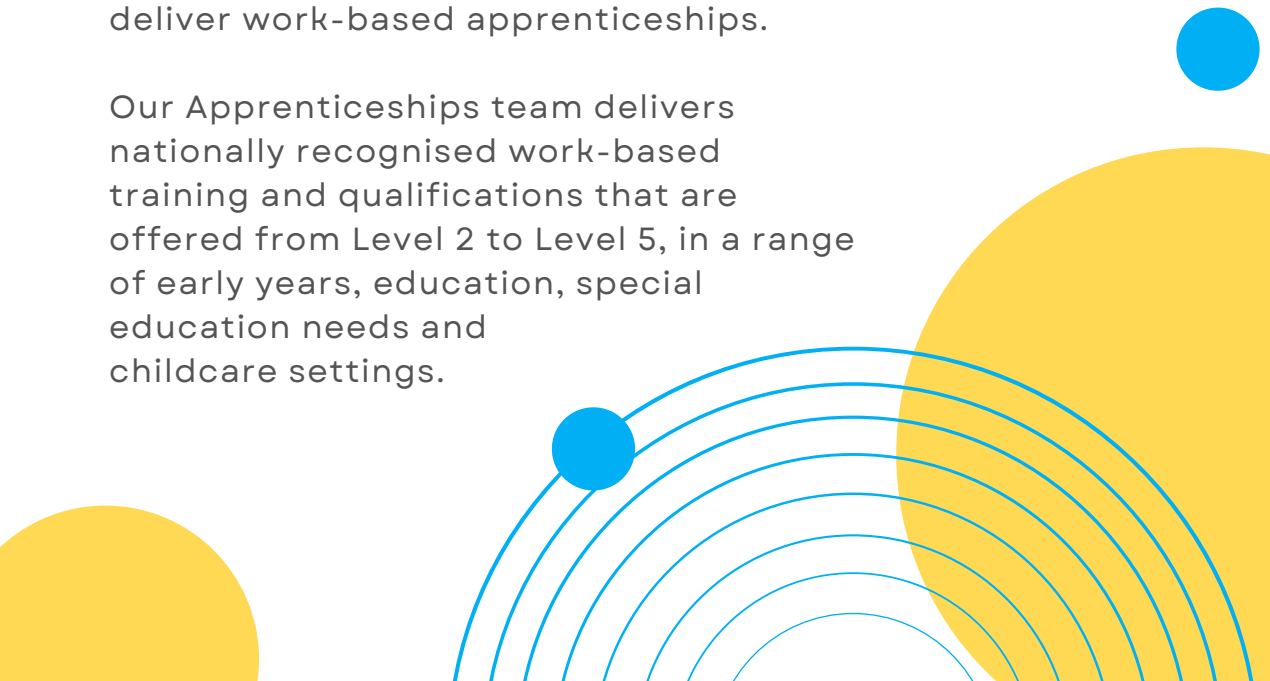

**In 2021 - 2022 we recorded
a 72% completion rate**

almost 20% higher than the 2021
national average

We are a well-established and highly regarded learning provider throughout West Yorkshire and work with a range of employers to deliver specialist Apprenticeships.

We are registered with the ESFA (Education & Skills Funding Agency) to deliver work-based apprenticeships.

Our Apprenticeships team delivers nationally recognised work-based training and qualifications that are offered from Level 2 to Level 5, in a range of early years, education, special education needs and childcare settings.

Quality Delivery

We follow the national standard set out by the government. Maintaining the Matrix Standard for over seven years is one of the ways we benchmark ourselves, as well as being directly registered with OFSTED as a Good provider

Local Service

We work with local employers, education bodies and suppliers to deliver apprenticeships across Calderdale and Kirklees. This means we are dedicated to working with local people and helping them find a match with local employers, offering work-based apprenticeships that suit both parties.

Specialist Expertise

Our team has experience in the fields of training, education and early years, which makes us specialists in the courses we provide. This means we have a deep understanding of the unique challenges, requirements and developments in the industry, so we can keep you up-to-date with any changes that may impact your learning.

Our Courses

The Apprenticeships we provide are nationally recognised work-based qualifications, from Level 2 to Level 5 in a range of early years, education, special education needs and care settings.

These qualifications vary in type, with Awards, Certificates and Diplomas available in various levels and professions.

- **Level 2:** Equivalent to five GCSEs at grade 9-4
- **Level 3:** Equivalent to two A-Levels
- **Higher Level 4:** Equivalent to an HNC, CertHE, Level 4 NVQ, or BTEC (equivalent to first year at university)
- **Higher Level 5:** Equivalent to an HNC, HND or Foundation Degree

In order to access our apprenticeships, you are required to have a placement with an employer - we can often support you with this.

What our learners say...

I feel I have accumulated a lot of knowledge from the SEN programme, which then helped me with my related unit and also with my day to day job at the school.

I have gained plenty of valuable experience. I am very excited about working for Halifax Opportunities Trust and continue my learning on apprenticeship programme.

I feel positively motivated and this inspires me to follow this exciting apprenticeship journey.

I have successfully flourished with the help and support of a professional and highly skilled team.

Sessions with my tutor are very informative and I gain a better understanding of my job.

I am so proud to be part of the Halifax Opportunities Trust team. Working as an apprentice has given me an opportunity to gain a recognised qualification in an industry I love.
